

The mission of Catholic Urban Programs is to meet the needs of the people in Southern Illinois by building relationships to support their progress towards self-sufficiency through educational programs and services that remediate the effects of poverty.

2018-2019 Community Impact By the Numbers

Your generous support of our programs continues to impact the lives of our neighbors experiencing poverty. We thank you for partnering with Catholic Urban Programs to deliver much needed programs and service aimed at remediating the effects of poverty.

Thank you!
